DETAILED ACTION

Response to Amendment

1. Applicant's amendment of 5/18/2004 has been noted. Claims 2,3, 10-15 are cancelled. Claims 1, 4-9, 16, 20 and 21 are amended.

Response to Arguments

2. Applicant's arguments, see page 8+, filed 5/18/2004, with respect to the claims as currently amended have been fully considered and are persuasive. The rejection of claims 1, 4-9, 16-21, has been withdrawn.

Allowable Subject Matter

- 1. Claims 1, 4-9, 16-21 are allowed.
- 2. The following is an examiner's statement of reasons for allowance: In respect to claims 1, 4-9, 16-21 the claims as newly amended on 5/18/2004 cite a insulating organic film that is strippable by a organic solvent be formed on a surface of a thin film to be patterned, a conductive film formed on the insulating organic film, a mask formed on the conductive film, patterning the

film, and removing the mask and conductive film by removing the insulating

organic film using an organic solvent. The closest prior art of Reinburg et al. does not suggest the insulating organic film formed on a surface of the a thin film to be patterned with a conductive film formed thereon. Reinburg forms the conductive film directly on the thin film to be patterned. Consequently, Reinburg et al. does not suggest the removal of the conductive layer and mask by removing a insulating organic film using an organic solvent.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Matthew A. Anderson whose telephone number is (571) 272-1459. The examiner can normally be reached on M-Th, 7-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nadine Norton can be reached on (571) 272-1465. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
